Big Gigs 2020

Private Trust Company – Setting Up

Alithis provided strategic advice as to possible alternatives to a professional trustee. After the family opted for the PTC, Alithis was engaged to assist in setting up the PTC.

Advisory

Project Management

Major Swiss Bank – Document Review

Alithis provided a deputy team head in an internal investigation at a major Swiss bank.

In- and Outsourcing

International bank-owned trustee – Intra-Group Outsourcings

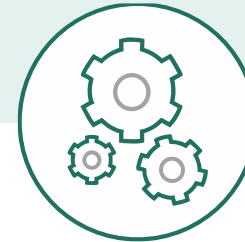

Alithis is supporting the finance department in relation to the implementation of a new tool managing intra-group outsourcing relationships and streamline the overall outsourcing strategy.

Business Support

Advisory

Project Management

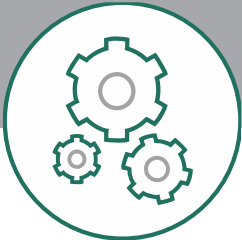

Non-Profit Organisation – International Growth

Alithis is supporting foraus and the open think tank network to strengthen the existing network of grassroots think tanks by developing a more stringent legal structure.

Advisory

Project Management

Independent Swiss Trustee – Compliance Outsourcing

Alithis provides ongoing services in relation to a number of compliance duties of the client, including Swiss AML, tax reporting and training.
